

Introducing Custom Wedding Songs

Personalized Songs Created For

- The Wedding Ceremony
- Father Daughter Dance
- Mother Son Dance
- Bride and Groom Dance
- Anniversaries

CREATE YOUR SONG IN 4 EASY STEPS

1. *Share Your Vision*

We set up a consultation session with you where we get to know more about you, your preferences, and your vision so that the songwriter and vocalist can create something that is uniquely yours

2. *Choose Your Package*

Our Consultants help you pick one of our packages that best suit your needs and vision

3. *Review Your Demo*

Our team creates and records your song. Once an initial demo is complete, we send to you for review. You can request any changes you would like after hearing your demo version. We want to be sure you are 100% satisfied.

4. *Receive Your Finished Copy**

We send you your completed custom song, sheet music, and lyrics all online via email!

**Buyer owns all rights and royalties.*

Our Wedding Packages

Choose from a variety of options and packages. We will work with you to find the best package to meet your needs.

Each option includes our base package of:

- Your custom song in digital form (mp3 format):
 - Instrumental + Vocal Arrangement
 - Instrumental Only Arrangement
- Sheet Music with Lyrics

Add-on additional customizable options:

- Additional instrumental accompaniments
- Commemorative DVD picture slide show set to your custom song
